

CUIMC Division of Movement Disorders
DEEP BRAIN STIMULATION
(DBS) Informational Session

Presenting our upcoming meetings:

3:00PM-4:00PM

January 5

February 2

March 1

April 5

May 3

Open to those who are looking for more information about DBS surgery for Parkinson's disease, Tremor, or Dystonia. Presentation will include overview of symptoms necessitating referral to DBS and DBS surgery process. We will also have Q&A with neurosurgery, neurologists, and patients who have undergone DBS surgery.
